Jon Bon Jovi, All About Lovin' You

Looking at the pages of my life Faded memories of me and you Mistakes you know I've made a few I took some shots and fell from time to time Baby, you were there to pull me through We've been around the block a time or two I'm gonna lay it on the line Ask me how we've come this far The answer's written in my eyes Chorus: Every time I look at you, baby, I see something new It takes me higher than before and makes me want you more I don't wanna sleep tonight, dreamin's just a waste of time When I look at what my life's been comin' to I'm all about lovin' you I've lived, I've loved, I've lost, I've paid some dues, baby We've been to hell and back again Through it all you're always my best friend For all the words I didn't say and all the things I didn't do Tonight I'm gonna find a way Chorus: Every time I look at you, baby, I see something new It takes me higher than before and makes me want you more I don't wanna sleep tonight, dreamin's just a waste of time When I look at what my life's been comin' to I'm all about lovin' you You can take this world away You're everything I am Just read the lines upon my face I'm all about lovin' you Guitar Solo: Chorus: Every time I look at you, baby, I see something new It takes me higher than before and makes me want you more I don't wanna sleep tonight, dreamin's just a waste of time When I look at what my life's been comin' to I'm all about lovin' you All about lovin' you
