

Jon Bon Jovi, Get Ready

You need someone to make it last
No Romeos who'll love and leave you fast
They fade away
Tonight you're not gonna be alone
Making love on the telephone
Baby, baby if you can hold on
I'm gonna take you all the way tonight
I like 'em down and dirty, hold on tight

*

Come on get ready
Come on get ready
You're looking sharp in your dancin' shoes
You got the style and you got the moves
Oh you're so hot, girl and on the loose
You're caught up in a danger zone
Just seventeen but you act full grown
The nightlife is turning you on
You want to take me all the way tonight
Take my hand, can you feel the heat
Make you feel alright
* Repeat
Come on, Come on
