## Jon Bon Jovi, Next 100 Years

Time ain't nothing but time It's a verse with no rhyme Man, it all comes down to you Change ain't nothing but change Just the faces and names But you know we're gonna make it through I'll believe When you don't believe in anything Chorus I'm gonna hold you 'til your hurt is gone Be the shoulder that your leaning on I'll be standing here For the next 100 years If it all should end tonight I'll know it was worth the fight And we'll be standing here For the next 100 years I, when I think that I'm losing my mind It all comes back to you And you, you know that it's true After all we've been through There's nothing I wouldn't do Stand by me And I would gladly give up everything Repeat Chrous Guitar Solo Repeat Chorus Time ain't nothing but time It's a verse with no rhyme Man, it all comes down to you
