

# Jon Bon Jovi, Only Lonely

Another long and sleepless night  
You need someone to hold you tight  
Sometime love don't know wrong  
from right  
Another long and senseless  
Fight was all you knew they're all  
the same  
There's no one left to take the blame  
What's behind this masquerade  
How do we win these losin'  
Games we play, words we say  
Cutting wounds that run so deep  
Leave it all behind you  
Or someday love will find you  
Only Lonely - I can't stop hurting you  
Only Lonely - How much pain does it take  
It's getting sometimes I don't know  
When to stop when to go  
Sometimes we're so afraid to let  
it show  
A stolen kiss so out of place  
It wipes the smile right off your face  
And when those feeling start  
We let them go, let them go  
Games we play, words we say  
Cutting wounds that run so deep  
Leave it all behind you  
Or someday love will find you  
Only Lonely - I can't stop hurting you  
Only Lonely - But I can't stop loving you  
Only Lonely - So tell me babe, how much pain can you take  
before your heart breaks?  
I got this timebomb ticking in my head  
This time I think she's gonna blow  
How can I say get away  
When I just can't let it go  
Solo  
Games we play, words we say  
Cutting wounds that run so...  
Leave it all behind you  
Or someday love will find you  
Only Lonely - I can't stop hurting you  
Only Lonely - I can't stop loving you  
Only Lonely - I can't stop hurting you  
Only Lonely - I can't stop loving you  
I can't stop...
