

Jon Bon Jovi, Raise Your Hands

You you got a nasty reputation
Were in a sticky situation its down to me and you
So tell me is it true they say there aint nobody better
Well now that were together
Show me what you can do
Youre under the gun
Out on the run
Gonna set the night on fire
Youre out on the run
Under the gun
And playn to win
Raise your hands
When you want to let it go
Raise your hands
When you want to let a feeling show
Raise your hands
From New York to Chicago
Raise your hands
From New Jersey to Tokyo
Raise your hands
I Ive been out on the front line
Where you go down if you waste time
Theyll walk all over you
But I I aint here looking for surrender
Ill raise the flag if youll defend her
Its up to you
Youre under the gun
Out on the run
Gonna set the night on fire
Youre out on the run
Under the gun
And playn to win
Raise your hands
When you want to let it go
Raise your hands
When you want to let a feeling show
Raise your hands
From New York to Chicago
Raise your hands
From New Jersey to Tokyo
Raise your hands
