

Jon Bon Jovi, Ride Cowboy Ride

Ride cowboy ride
Through the backdoor to Heaven
To the other side
I wanna know the danger of the kiss
At midnight
Ride cowboy ride yeah
Yeah I learned my lesson
Here's a story to tell
So I make my confession
In this sleazy motel
I could be the romantic
I could try my best lines
But I ain't got the money
And we ain't got the time
Ride cowboy ride
Through the backdoor to Heaven
To the other side
I wanna know the danger of a kiss
At midnight
Ride cowboy ride
Whoa
So you wanna be a cowboy
Ride ride ride
so you wanna be a big shot
oh baby come on
Ride ride ride
