

# Jon Bon Jovi, Something For The Pain

Happiness, it's been no friend to me  
But forever after ain't what it's all cracked up to be  
Yeah, I had a taste, you were my fantasy  
But I almost lost my faith when I hit reality  
I don't need no Guru to tell me what to do  
When you feeling like a headline on yesterday's news  
Come on , Come on, Come on  
Give me something for the pain  
Give me something for the blues  
Give me something for the pain when I feel I've been danglin' from  
A hang-man's noose  
Give me something for the rain  
Give me something I can use  
To get me through the night  
Make me feel all right, something like you  
Come on, Come on, Come on  
Loneliness has found a home in me  
My suitcase and guitar are my only family  
I've tried to need someone, like they needed me  
I opened up my heart but all I did was bleed  
I don't need no lover, just to get screwed  
They don't make a bandage that is going to cover my bruise  
Come on , Come on, Come on  
Give me something for the pain  
Give me something for the blues  
Give me something for the pain when I feel I've been danglin' from  
A hang-man's noose  
Give me something for the rain  
Give me something I can use  
To get me through the night  
Make me feel all right, something like you  
Come on, Come on. Come on  
Pull me under (help I'm falling)  
Run through my veins (night is calling)  
To a place (feels like I'm flying)  
Where I feel no pain (Christ - I'm dying)  
Be the pillow under my head  
Give me cover when I'm in my bed  
Take me higher than I've ever been  
Take me down and back again  
Come to me, be my disguise  
Open your coat, let me crawl inside  
Come on, Come on, Come on  
Come on , Come on, Come on  
Give me something for the pain  
Give me something for the blues  
Give me something for the pain when I feel I've been danglin' from  
A hang-man's noose  
Give me something for the rain  
Give me something I can use  
To get me through the night  
Make me feel all right, something like you  
Come on , Come on, Come on  
Give me something for the pain  
Give me something for the blues  
Give me something for the pain when I feel I've been danglin' from  
A hang-man's noose  
Give me something for the rain  
Give me something I can use  
To get me through the night  
Make me feel all right, something like you
