

# Jon McLaughlin, Industry

My debut is coming soon and you already know what I'm gonna do  
You got my time on the dotted line but you show up invited  
But before I sign it  
Someone say I'm not making mistakes and please don't be fake  
My debut comes today and my feelings have all run away.  
With the man that I am but understand if I don't keep going  
It just goes to show that  
I've been beat by an industry that I've never seen

[Chorus:]

This is me on my knees  
Singing take it all from me  
Take it all  
Speak to my needs, my needs  
Take it all, take it all  
This is me

So the crowd gets quiet I start to play  
And I think they're buying what I'm going to say  
But to my defiance the music fades  
And we all sit silent and I crawl back inside  
Because it wasn't supposed to go this bad

[Chorus]

When you grow silent I start to fall  
When you grow silent I start to fall . . .

[Chorus]
