

Jon Secada, One Of A Kind

Life is sweet
Knowing you found what you've always been
Looking for
That's how I feel about you
Everything that you do
It's ecstasy
True moments of passion never die
When I hold you in my arms
And hear you tenderly sigh

Our love is one of a kind
Make no mistake, make no mistake
Our love is one of a kind
Make no mistake, make no mistake

I don't know
Exactly what I was looking for
But once I met you I knew
Nobody else could ever do
In the heat of love
Decisions we make may not all be real
But one thing I know for sure
Is that I love you so

Our love is one of a kind
Make no mistake, make no mistake
Our love is one of a kind
Make no mistake, make no mistake

Wanna make something real
Show me how you feel

Life is sweet
Knowing you found what you've always been
Looking for
That's how I feel about you
Everything that you do

Our love is one of a kind
Make no mistake, make no mistake
Our love is one of a kind
Make no mistake, make no mistake
