

Jon Secada, Si Te Vas (Spanglish)

Taking a day at a time
Dealing with feelings I don't wanna hide
Learning to love as I go, baby
Without taking you along for a ride.

Tried to find myself
Tried to find the truth
Get out from this shell
Girl I'm almost there
To show you how much I really care.

If you say goodbye
There'll be something missing in my life
'Cause you know
That all I really (all I really) want is you.

Lo siento que yo te engane
Si al mirar a mis ojos ya no puedas creer
Que solo eres tu quien yo anhelo
Si quieres vencer a mi corazon.

Solo pienso en ti
Sueno con tu amor
Con tenerte aqui
Darte mi calor
Sembrar mi pasion en tu corazon.

Si te vas con tu amor
Razones de vivir me faltaran
Tu sabras que todo lo que quiero eres tu.

Tried to find myself
Tried to find the truth
Get out from this shell
Girl I'm almost there
So let me show you, so let me show you.

If you say goodbye
There'll be something missing in my life
'Cause you know
That all I really (all I really) want is you.

If you say goodbye
There'll be something missing in my life
'Cause you know
That all I really (all I really) want is you.
