

# Jon & Vangelis, Curious Electric

Sitting here in the television  
Looking at the tube  
Sitting next to me  
He's not been very well lately  
He told me so  
He's been crying  
A little bit  
And I ain't lyin'  
But we're sitting it out  
Watching "Match of the Day",  
You know we've all gotta go anyway  
I said we've all gotta go anyway  
And I wouldn't mind being last in line  
To see such joy and fruitfulness.  
When everyone discovers short stories
