

Jona Ardyn, Anything Goes

Anything goes
Anything's fine by me
If you'd only stay
If you'd only stay with me
All of my fears
You'd chase them all away
If you make up your mind
If you'd only decide to stay

I will take NO for an answer
But you know what I'd like to hear

So please don't leave me out here
I never speak my mind
But you were too hard to find
So please don't leave me out here
I hate staying in the rain
If I'll ever be again with you

I feel like a fool
I was too blind to see
That you were right here
Waiting so patiently
I admit I took you for granted
But I deserve another try

So please don't leave me out here
I never speak my mind
But you were too hard to find
So please don't leave me out here
I hate staying in the rain
If I'll ever be again with you
