

# Jonas Brothers, Burning Up

I'm hot  
You're cold  
You go around  
Like you know  
Who I am  
But you don't  
You got me, on my toes  
I'm sinking into the lava  
And I can't keep from going under  
Baby you turn the temperature hotter  
And I'm burning up, burning up  
For you baby  
I fell (I fell)  
So fast (so fast)  
Can't hold myself  
Back  
High heels (high heels)  
Red dress (red dress)  
All by yourself, gotta impress  
I'm sinking into the lava  
And I can't keep from going under  
Baby you turn the temperature hotter  
And I'm burning up, burning up  
For you baby  
Walk in the room  
All I can see is you  
You're staring me down  
I know you feel it too  
I'm sinking into the lava  
And I can't keep from going under  
Baby you turn the temperature hotter  
And I'm burning up, burning up  
For you baby  
I'm sinking into the lava  
And I can't keep from going under  
Baby you turn the temperature hotter  
And I'm burning up, burning up  
For you baby  
I'm sinking into the lava  
And I can't keep from going under  
Baby you turn the temperature hotter  
And I'm burning up, burning up  
For you baby  
Burning up, burning up  
For you baby
