

# Jonas Brothers, Play My Music

Turn on that radio,  
As loud as it can go  
Wanna dance until my feet can't feel the ground (can't feel the ground)

Say goodbye to all my fears,  
One good song, they disappear,  
And nothing in the world can bring me down,

Hand clapping,  
Hip shaking,  
Heart breaking,  
There's no faking  
What you feel, when you're riding home, yeah

Music's in my soul,  
I can feel it,  
Every day and every night,  
It's the one thing on my mind,

Music's got control,  
And I'm never letting go, no no,  
I just want to play my music

Got my six string on my back, don't need anything but that,  
Everything I want is here with me,  
So forget that fancy car,  
I don't need to go that far,  
And what's driving me,  
Is following my dreams yeah

Hand clapping,  
Hip shaking,  
Heart breaking,  
There's no faking,  
what you feel,  
when you're on a roll, yeah

Music's in my soul,  
I can hear it,  
Every day, and every night,  
It's the one thing on my mind,  
Music's got control, and I'm never letting go, no no,

I just want to play my music;  
I just want to play my music!

Can't imagine what it'd be like,  
And that's the sound of all my heroes playing all my favorite songs,  
So I can sing along,

Music's in my soul, i can hear it,  
Every day, and every night,  
It's the one thing on my mind,

Music's got control, and I'm never letting go, no no  
I just want to play my music,

All night long.

YEAH!
