

# Jonas Brothers, Wings

You are the one the sun the light of day  
You are the wings I need to fly away  
When you give me love I feel it, I feel it, I feel like I ran through the ceiling, the ceiling, the ceiling  
No my life it never had a meaning, a meaning, a meaning  
You gave me a reason you've got me believing you're making me say  
You are the one the sun the light of day  
You are the wings I need to fly away  
When you give me love when you give me love I feel it, I feel it It feels like I ran through the ceiling,  
No my life it never had a meaning, a meaning, a meaning  
You gave me a reason you've got me believing you're making me say  
You are the wings I need to fly away (the wings I need to fly)  
You are the wings I need to fly away  
It was you, it was you, it was you from the very start  
Always knew, always knew  
You know you gave me a reason you've got me believing you're making me say  
You are the one the sun the light of day  
You are the wings that need to fly away
