

Jonatha Brooke, I'll Try

I am not a child now. I can take care of myself. I mustn't let them see
me cry. i'm fine i'm fine. i'm too tired to listen.
i'm too old to believe all these childish stories. there is no such
thing as faith & trust & pixie dust. i try but its so hard to believe.
i try but i can't see what you see. i try i try i try. my whole world
is changing. i don't know where to turn. i can't leave you waiting.
but i can't stay and watch the city burn. ohh watch it burn. cause i'll
try but it's so hard to believe. i'll try but i can't see what you see.
i'll try i'll try & i'll try to understand the distance between the love i
feel the thing i fear and every single dream. I can finally see it.
now i have to believe all those precious stories. All the world is made
of faith & trust & pixie dust. So i'll try cause i finally believe. i'll try cause
i can see what you see.
So i'll try i'll try to fly.
