

# Jonathan Coulton, First Of May

I woke up this morning  
I had a scone and a large house blend  
And then a little conversation with my squirrel and chipmunk friends  
I said I'm sick and tired of winter  
And I wish that it was spring  
And then a little fellow named Robin Redbreast  
Began to sing  
And he sang  
Ooh ooh child, what'd you think the cold winter's gonna last forever?  
Ooh ooh child, now's the time for all the people to get together  
Outside  
Cause it's the first of May, first of May  
Outdoor fucking starts today  
So bring your favorite lady  
Or at least your favorite lay  
The water's not cold baby dip in your big toe  
Maybe I'll see you in flagrante delicto  
Grass below you, sky above  
Celebrate spring with a crazy little thing called fucking outside  
I thanked him for the information  
I cried a little when he flew away  
I watched an episode of The People's Court  
And I tried to plan my day  
I called up my old lady  
She wasn't home so I called my girl  
I asked her if she'd like to join me as I  
Entertain the world  
And I said  
Ooh ooh child, I'll bring a blanket and I promise I will brush the ants off  
Ooh ooh child, you're gonna like it when we're taking each other's pants off  
Outside  
Cause it's the first of May, first of May  
Outdoor fucking starts today  
So bring your favorite lady  
Or at least your favorite lay  
The water's not cold baby dip in your big toe  
Maybe I'll see you in flagrante delicto  
Grass below you, sky above  
Celebrate spring with a crazy little thing called fucking outside  
So we went to the park together  
We were walking in the midday sun  
We met all kinds of people and we  
We fucked everyone  
We fucked a lady who sells ice cream  
We fucked a man with a tan Shar Pei  
Everyone who needed fucking well they  
They got fucked today  
So come on  
Ooh ooh child, open your mind and your heart, feel the spirit moving through you  
Ooh ooh child, you'll feel the warmth of the love when I stick it to you  
Outside  
Cause it's the first of May, first of May  
Outdoor fucking starts today  
So bring your favorite lady  
Or at least your favorite lay  
The water's not cold baby dip in your big toe  
Maybe I'll see you in flagrante delicto  
Grass below you, sky above  
Celebrate spring with a crazy little thing called fucking outside
