

Jonessa Monique, Thinking About You

Thinking 'bout cha, Thinking 'bout cha
Thinking 'bout cha, Thinking 'bout cha
Been a while since you've been a part of my life,
Though I act like I'm over you, My Heart ain't Satisfied,
And When I push it to the side, it cannot be alright, (it cannot be alright)
But maybe I was wrong, for walking out the door
Didn't understand what, didn't know what it was,
Coming in between us, Wondering what we always fuss for,
Now I'm feeling different 'cause I can't hide I miss you so much,
I can't hide I'm missing you baby oh ooh
Here I go again, thinking 'bout you (uh huh)
Thought I was over it but I guess I'm not that strong
And somethings telling me your thinking 'bout me too
Don't know what I'm suppose to do, got me sitting here thinking 'bout you
Behind a face of a smile, I really feel like (feel like)
I'm not over you (I'm not over you)
There was a reason why I put up my guard for a while (for a while)
It was hard for me to trust you
Didn't understand what, didn't know what is was
Coming in between us, Wondering what we always fuss for
Now I'm feeling different 'cause I can't hide I miss you so much(miss you so much)
I can't hide I'm missing you baby (baby)
Here I go again, thinking 'bout you (uh huh)
Thought I was over it but I guess I'm not that strong
And somethings telling me your thinking 'bout me too
Don't know what I'm suppose to do, got me sitting here thinking 'bout you
And I wish we never went our seperate ways
Cause we had bond no one could ever replace
When I wouldnt give to get back to those days
We were in LOVE, LOVE, LOVE
Don't know what to do
Here I go again, thinking 'bout you (uh huh)
Thought I was over it but I guess I'm not that strong
And somethings telling me your thinking 'bout me too
Don't know what I'm suppose to do, got me sitting here thinking 'bout you...
