

Jonezetta, Get Ready (Hot Machete)

"I never said I'd leave you alone
I'm carrying your word 'til we make it home"

Ooh, back and forth and
Ooh, back and forth again...

Welcome to the lights of the Big Casino
Baby don't you know that Cash is King
You pay your money and you take your chances
Honey, take my hand and we'll dance the night away

Get ready, get, get, get ready like a hot machete
(Get ready get, get ready get)

Lights out in the disco
Come meet me on the dance floor
We're bringing bodies back to life
Just like we all were born tonight

Get ready, get, get, get ready like a hot machete
(Get ready get, get ready get)

Everybody get yourself up
'Cause we know you want to get down
We got the lights down low
'Cause we know you want to get down

Love ain't always a party
