

# Jonezetta, Welcome Home

Tell me why!  
My mind is moving to place I never thought it'd go  
Welcome home!  
I see new faces, but faces are all I really know

Maybe I'll find a way out of here  
Darling, my dear  
Maybe I'll find home away from home  
One I've never known  
I can see it

Does it feel like home?  
Does it feel like home?  
Will I ever know when it feels like home?

See I don't know where I lost her  
Darlin' said she'd never leave  
She is crawling up the stairs  
I can hear her  
She's calling my name and it kills  
Come on let me know  
Come on let me know

Does it feel like home?  
Does it feel like home?  
Will I ever know when it feels like home?
