

Joni Mitchell, Last Chance Lost

Last chance lost-
In the tyranny of a long good-bye
Last chance lost-
We talk of us with deadly earnest eyes
Last chance lost-
We talk of love in terms of sacrifice and compromise
Last chance-
Last chance lost

Last chance lost-
The hero cannot make the change
Last chance lost-
The shrew will not be tamed
Last chance lost-
They bicker on the rifle range
Blame takes aim
Last chance-
Last chance lost
