Joni Mitchell, Night Ride Home

(Joni Mitchell)

Once in a while In a big blue moon There comes a night like this Like some surrealist Invented this 4th of July Night ride home

Hula girls And caterpillar tractors in the sand The ukulele man The fireworks This 4th of July Night ride home

I love the man beside me We love the open road No phones till Friday Far from the overkill Far from the overload

Back at the bar The band tears down But out here in the headlight beams The silver powerlines Gleam On this 4th of July Night ride home

Round the curve And a big dark horse Red taillights on his hide Is keeping right alongside Rev for stride 4th of July Night ride home

I love the man beside me We love the open road No phones till Friday Far from the undertow Far from the overload

Once in awhile In a big blue moon There comes a night like this Like some surrealist Invented this 4th of July Night ride home
