## Jonny Lang, Beautiful One

Beautiful One Lyrics by Jonny Lang

I gave my word, I made a promise And I'm gonna keep it til the end What would I do, if I lost it There's nothing better than what we have

Somehow in my mind Always new I'd find my

Beautiful one, Beautiful child, my everything Beautiful one, Beautiful child

So much you give so much to live for And I wanna give it all back to you And If it means pouring my heart out to show you I love you, then I will

Beautiful one, Beautiful child, my everything Beautiful one, Beautiful child

To be the one to call you mine To feel the way I do inside You're so much more than I ever dreamed This is forever I believe

Beautiful one, Beautiful child, my everything Beautiful one, Beautiful child I know you're what I need Beautiful one, Beautiful child
