

# Jonny Lang, Red Light

You sing a song, While sitting at a red light  
You think of home, while sitting at a red light

Too slow to roll  
Put your life on hold  
An open path  
With nowhere to go  
You start to wonder, while sitting at a red light

You can run a red light, Give up at a red light  
You break the molds, when running through the tolls  
Speeding through your whole life

A chance to breathe while sittin' at a red light  
You look around, reflecting on your life

A chance to think  
Am I drinking too much  
Should I keep going  
Lose the life that I love  
A second glance  
When coming to a red light

You can run a red light, Give up at a red light  
You break the molds, when running through the tolls  
Speeding through your whole life

You can run a red light, Give up on your whole life  
You break the molds, when running through the tolls  
Speeding through your whole life

When things look low  
You've gotta keep strong  
Feet to the grass  
You've gotta walk it off  
The bows been tied  
Too tight to laugh  
Feet to the ground  
You've gotta walk it off

You can run a red light  
You can run a red light

Start to think  
Am I drinking too much  
Should I keep going  
Lose the life that I love

You can run a red light, Give up at a red light  
You break the molds, when running through the tolls  
Speeding through your whole life

You can run a red light, Give up on you whole life  
You break the molds, when running through the tolls  
Speeding through your whole life

You can run a red light  
You can run a red light

You sing a song, while sitting at a red light
