

Jonny Lang, You Can Run A Light

You sing a song, while sitting at the red light
You thing of home, while sitting at the red light

Too slow to roll
Put your life on hold
An open path
With nowhere to go
You starte to wonder, while sitting at a red light

You can run a red light, give up at a red light
You break the mold, when running through the toll
Speeding throught you whole life

A chance to breath, while sitting at the red light
You look arund, reflacting on your life

A chance to think
Am I drinking too much
Should I keep going
Lose the life that I love
A second glance
When coming to a red light

You can run a red light, give up at a red light
You break the mold, when running through the toll
Speeding throught you whole life

You can run a red light, give up on your whole life
You break the mold, when you're runnin' through the toll
Speeding throught your whole life

When things look low
You've gotta keep strong
Feet to the grass
You've gotta walk it off
The bows been tied
Too tight to laugh
Feet to the ground
You've gotta walk it off

You can run the red light
You can run the red light

Start to think
Am I drinking to much
Should I keep going
Lose the life that I love

You can run a red light, give up at a red light
You break the mold, when running through the toll
Speeding throught your whole life

You can run a red light, give up on your whole life
You break the molds, when running through the tolls
Speeding throught your whole life

You can run a red light
You can run a red light

You sing a song, while sitting at a red light
