

# Jordan Hill, Destiny

what if i never knew  
what if i never found you  
i'd never have this feeling in my heart

how did this come to be  
i don't know how you found me  
but from the moment i saw you  
deep inside my heart i knew

baby your my destiny  
you and i were meant to be  
with all my heart and soul  
i give my love to have and hold  
and as far as i can see  
you were always meant to be my destiny

i wanted some one like you  
someone that i could hold on to  
and give my love until the end of time

but forever was just a word, just a word  
something i'd only heard about  
but now your always there for me  
when you say forever i'll believe

baby your my destiny  
you and i were meant to be  
with all my heart and soul  
i give my love to have and hold  
and as far as i can see  
you were always meant to be my destiny

maybe all we need is just a little faith  
cause baby i believe that love will find a way

baby your my destiny  
you and i were meant to be  
with all my heart and soul  
i give my love to have and hold  
and as far as i can see  
from now until eternity  
you were always meant to be....  
my destiny  
Your my destiny
