

# Jordan Hill, I Just Had To Hear Your Voice

I know you thought it best  
That we spend a little time apart  
But one night without you  
Is so much for my heart

I know I promised not to call  
Sorry, but I didn't have a choice  
I just had to hear your voice

Oh, please don't be mad at me  
'Cause I really did the best I could  
Not to dial your number  
But I didn't do much good

Hung up the phone so many times  
'Til I really didn't have a choice  
I just had to hear your voice

I had to know that you're okay  
I couldn't get to sleep this way  
And I had to hear you say hello  
I had to  
Because I love you so...

I know you thought it best  
That we spend a little time apart  
But I had to hear your voice  
Though I know it just wasn't right  
I just had to hear you sweet voice...
