

# Jordan Pruitt, Outside Looking In

You don't know my name  
you don't know anything about me  
I try to play nice  
I want to be in your game  
The things that you say  
You may think I never hear about them  
But word travels fast  
I'm telling you to your face  
I'm standing here behind your back

[Chorus:]  
You don't know how it feels  
To be outside the crowd  
You don't know what it's like  
To be left out  
And you don't know how it feels  
To be your own best friend on the outside looking in

If you could read my mind  
You might see more of me that meets the eye  
And you've been all wrong  
Not who you think I am  
You've never given me a chance

[Chorus:]  
You don't know how it feels  
To be outside the crowd  
You don't know what it's like  
To be left out  
And you don't know how it feels  
To be your own best friend on the outside looking in

Well, I'm tired of staying at home  
I'm bored and all alone  
I'm sick of wasting all my time

[Chorus (x2):]  
You don't know how it feels  
To be outside the crowd  
You don't know what it's like  
To be left out  
And you don't know how it feels  
To be your own best friend on the outside looking in

You don't know how it feels  
To be outside the crowd  
You don't know what it's like  
To be left out  
And you don't know how it feels  
To be your own best friend on the outside looking in
