

# Jordan Pruitt, Whatever

(Chorus)

You can't please everybody all the time  
So instead of trying, I say whatever  
Whatever, whatever.  
You might see things a little differently,  
and thats okay with me, I say whatever  
Whatever, whatever.

I thought she was such a good friend of mine,  
but lately she's driving me crazy.  
She acting all cool and indigified,  
and i don't know why everything's changing.

I'm so fed up and I can not lie,  
Cause I'm tierd of trying to please.  
But she won't let it go, so I gotta let her know that I won't let it bother me.

(Chorus)

You can't please everybody all the time  
So instead of trying, I say whatever  
Whatever, whatever.  
You might see things a little differently,  
and thats okay with me, I say whatever  
Whatever, whatever.

She keeps saying that I already crossed the line,  
by spending time with who she's dating. (Whatever)  
I don't think she understands who I am, or cares about what she's breaking.

I'm so fed up and I wanna scream,  
Cause I'm sick of her jealousy.

But she won't let it go, so I gotta try to show that I won't let it bother me.

(Chorus)

You can't please everybody all the time  
So instead of trying, I say whatever  
Whatever, whatever.  
You might see things a little differently,  
and thats okay with me, I say whatever, whatever.

(Bridge)

I can't pretend that it doesn't ever bother me.  
All this stressing, negativity.  
I feel so misunderstood, I only wish I could change the  
way she feels about me..

(Chorus)

You can't please everybody all the time  
So instead of trying, I say whatever  
Oh whatever (whatever)  
You might see things a little differently,  
I say whatever, whatever.

(Chorus)

You can't please everybody all the time  
So instead of trying, I say whatever  
Whatever, ohhh  
You might see things a little differently,  
and thats okay with me, I say whatever, whatever.

(Fades to End)
