

Jordin Sparks, This Is My Now

There was a time, I packed my dreams away
Livin in a shell, hiding from myself
There was a time, when i was so afraid
I thought I'd reached the end, baby that was then
I am made of more then my yesterdays

This is my now
And I am breathing in the moment
As I look around
I can't believe the love I see
My fears behind me
Gone are the shadows and doubt
That was then
This is my now

I had to decide, was I gonna play it safe
Well but somewhere deep inside, I tried to turn the tide
And find the strength to take that step of faith

This is my now
And I am breathing in the moment
As I look around
I can't believe the love I see
My fears behind me
Gone are the shadows and doubt
That was then
This is my now

And I have a courage, like never before
I settled for less, but I'm ready for more
Ready for more

This is my now
And I am breathing in the moment
As I look around
I can't believe the love I see
My fears behind me
Gone are the shadows and doubt
That was then
This is my now

And I am breathing in the moment
As I look around
I can't believe the love I see
My fears behind me
Gone are the shadows and doubt
That was then
This is my now
This is my now
