

Jorge Benjor, My Lady

My lady, my lady, my lady
How are you
My lady, my lady, my lady
Where are you going
Look at me
Feel and listen
What I have
To say to you

God spread you love to me
I love you, I love you, I love you, I love you, I love you
Lady lady lady lady lady
My heart cry
I need you woman
My heart cry
Sorry my lady
My love, my darling
My queen, my woman
Kiss-me and make-me to live
