

Jorge Benjor, My Little Brother

Everyday in the morning
In the morning
I am very happy
Very happy
Because I see and listen to
My little brother
My little brother
Playing his tamborine for me
For me
I dont know if my next door
Friend likes it
I dont know if my next door
Friend likes it
Sorry, sorry, sorry, sorry,
But I like it very much
Sorry, sorry, sorry, sorry,
But I like it very much
My little brother
He is innocent kids
He is my he plays
He walks Jigger
Like an angel like superstar
Like an angel like Jin Dandy
Oh my Lord my Lord
Save my little brother
From war from evil
And from teh bomb bomb bomb bomb bomb
