Aint no denyin it baby
Now we started a flame
Girl you got me goin insane in a good way
Cant get you off of my brain
Aint that a shame

If theres just one thing that I gotta do
Is wrap my arms around you
Hold you close
And never let you go

Chorus:

Can I get closer
Can I get closer
Can I get closer
Closer to you
Can I wipe away your tears
Wipe away your fears
Be the man that you need me to be
Can I get closer - Closer to you

2. Baby I been thinking bout us
And I just dont understand
How God could make a woman so beautiful
So perfect for one man
Cuz when I

Wake up in the morning and I think about your face
No one in this world could ever take your place
God sent you to me and its meant to be

Baby
