

# Joseph Arthur, In The Middle Of The Night

In the middle of the night  
I can feel the sun  
In the middle of the night  
I think we'll vow our love  
It's a terrible secret  
That i keep from you  
I vacate my soul on the broken hearted avenue.

We could begin  
We could begin  
We could begin again  
After the end

In the middle of the night  
My heart is never free  
In the middle of the night  
The truth is easy to see  
If i could hold you  
Now i would never let you go  
But I'm all alone  
Knowing that you reap what you sow

We could begin  
We could begin  
We could begin again  
After the end  
After the end  
After the end  
After the end

In the middle of the night  
I think you're following me  
In the middle of the night  
In the doorway of my memory  
I ask how everything is going for you  
Between is a wall  
Both our hearts see through

We could begin  
We could begin  
We could begin again  
After the end  
After the end  
After the end  
After the end

In the middle of the night  
Is when i start to cry  
In the middle of the night  
I throw a prayer for you  
Across the sky  
It's a terrible secret  
That i kept from you  
I vacated my soul on the broken hearted avenue

We could begin  
We could begin  
We could begin again  
After the end  
After the end  
After the end  
After the end
