Joseph Arthur, Look Over Your Shoulder

Give me back oblivion
Take away my need
Someone's always chasing me
Underneath the trees

Look over your shoulder
Look over your shoulder

Everything around me now
Everything I see
Couldn't get much further from
Where I wanna be

Look over your shoulder
Look over your shoulder

And I can't feel a thing
And I can't feel a thing
And I can't feel a thing
And I can't feel a thing

Look over your shoulder
Look over your shoulder

And I can't feel a thing
And I can't feel a thing
And I can't feel a thing
And I can't feel a thing
Can't feel a thing
And I can't feel a thing
