

# Joseph Arthur, Miracle

I  
I get by  
Without a miracle  
You  
You get by  
Without a miracle

So we should compromise  
And we should stop telling lies

You  
You get by  
Without a miracle

I  
I get by  
Without a miracle

So we should compromise  
And we should stop telling lies

Uhh Ohh

When will you leave  
When will you go  
When will you leave  
When will you go  
When will you leave  
When will you go  
When will you leave  
When will you go  
When will you leave  
When will you go  
When will you leave  
When will you go

I  
I get by  
Without a miracle

So we should compromise  
And we should stop telling lies

Uhh Ohh
