

# Joseph Arthur, My home is in your head

You want to be free  
Don't act like it's bad  
I'm already dead  
My home is your head  
Hey You and me  
Can't get what we need  
Hey You and me  
Can't get what we need  
You're a suicide  
Only out for revenge  
You can't controll my mind  
If I don't believe your're gonna try  
Hey You and me  
Can't get what we need  
Hey You and me  
Can't get what we need  
You want to be free  
Don't act like it's bad  
I'm already dead  
My home is your head  
Hey You and me  
Can't get what we need  
Hey You and me  
Can't get what we need
