

Joseph Arthur, My home is in your head

You want to be free
Don't act like it's bad
I'm already dead
My home is your head
Hey You and me
Can't get what we need
Hey You and me
Can't get what we need
You're a suicide
Only out for revenge
You can't controll my mind
If I don't believe your're gonna try
Hey You and me
Can't get what we need
Hey You and me
Can't get what we need
You want to be free
Don't act like it's bad
I'm already dead
My home is your head
Hey You and me
Can't get what we need
Hey You and me
Can't get what we need
