

Josh Canova, The wish

I wish that i could be someone else sometimes i
Understand that i'm not supposed to feel like this i
Should be happy inside i'm trying honest i am look how
Busy i am but i might not learn how to fix it or even change it
Well i might try opening up sometimes i can be angry
Inside i'm fine i'll do it myself like i've done it
Before and i won't need anyones help i mean anyones
Help but i might not learn how to fix it or even change it
