

Josh Golden, Please Don't Go

I made a mistake yes I know
It's over now, so let it go
Could this possibly be the end to our story
I made a plead through a note
God knows it's not a joke
I wish I could take it back
I wish I could take you back
(chorus)
Is this the stop or go
Red light, I don't know
Do you just wanna be alone
I don't know
I don't know
Girl I'm begging you
Please don't go
Don't go
Away from me
Away from me
Please don't go
Don't go
Away from me
Don't
I can feel it all around me so alone
Calling you up to try to find a way home
Cause home's where the heart is
And I've been locked out for weeks
I gotta find the words to say to you
To make you listen, to make you listen
To the things I have to say
What do I have to say
Is this the stop or go
Red light, I don't know
Do you just wanna be alone
I don't know
I don't know
Girl I'm begging you
Please don't go
Don't go
Away from me
Away from me
Please don't go
Don't go
Away from me
Don't give up on love
Don't let go of love
I just want you to love me back
I just want you to love me back
I'm on my knees
Begging please don't go
Please don't go
Don't go (don't go)
Don't go (don't go)
Away from me
Away from me
Please don't go
Don't go
Away from me
Away from me
Please don't go
Don't go
Away from me
Away from me
Please don't go
Don't go
Away from me
Away from me
Please don't go
Don't go (please don't go)

Away from me
