

# Josh Groban, All I Know Of Love (Duet Barbra St

Barbra:

Once I found the perfect love  
And you showed me everything there was  
to know of love  
Time will not betray the truth  
And for all the years we've shared  
I celebrate with you  
For you...

Josh: Un giorno t'incontrai

Barbra: And me

Josh: Pensai, "Adesso lei"

Barbra: Will be...

Josh: D'allora insieme noi...

Both:

Forever

You are all I know of love  
How could I ask for more  
You're everything I'm dreaming of  
You're all I need from love  
And every star above  
Spells out your name  
I swear I'll always feel the same  
You're all I want

Barbra: From love

Josh: All I want from love

Dimmi

Barbra: (Humming)

Josh: Che per l'eternità

Barbra: Like a memory

Josh: Mi terrai ad abitare nei pensieri tuoi

Con te

Barbra: You are my only heart

Josh: In te

Barbra: I loved you from the start

Josh: Noi due

Barbra: Together not apart

Both:

Forever

You are all I know of love  
How could I ask for more  
You're everything I'm dreaming of
