## Josh Groban, For Always

I close my eyes and there in the shadows I see your light You come to me out of my dreams across the night

You take my hand though you may be so many stars away I know that our spirits and souls are one We've circled the moon and we've touched the sun So here we'll stay

For always, forever Beyond here and on to eternity For always, forever

For us there's no time and no space No barrier love won't erase Wherever you go I still know In my heart you will be With me

From this day on I'm certain that I'll never be alone I know what my heart must have always known That love has a power that's all its own

And for always, forever Now we can fly And for always and always We will go on beyond goodbye

For always, forever Beyond here and on to eternity For always and ever You'll be a part of me

And for always, forever A thousand tomorrows may cross the sky And for always and always We will go on beyond goodbye
