

# Josh Groban, In Her Eyes

She stares through my shadow  
She sees something more  
Believes there's a light in me  
She is sure  
And her truth makes me stronger  
Does she realize  
I awake every morning  
With her strength by my side

I am not a hero  
I am not an angel  
I am just a man  
Man who's trying to love her  
Unlike any other  
In her eyes I am

This world keeps on spinning  
Only she steals my heart  
She's my inspiration  
She's my northern star  
I don't count my possession  
All I call mine and give her completely  
To the end of all time

I am not a hero  
I am not an angel  
I am just a man  
Man who's trying to love her  
Unlike any other  
In her eyes I am

In her eyes I see the sky and all I'll ever need  
In her eyes time passes by and she is with me

I am not a hero  
I am not an angel  
I am just a man  
Man who's trying to love her  
Unlike any other  
In her eyes I am  
In her eyes I am
