Josh Groban, Weeping (With Ladysmith Black Ma

I knew a man who lived in fear It was huge, it was angry, It was drawing near. Behind his house a secret place Was the shadow of the demon He could never face.

He built a wall of steel and flame
And men with guns to keep it tame
Then standing back he made it plain
That the nightmare would never ever rise again
But the fear and the fire and the guns remain.

It doesn't matter now it's over anyhow He tells the world that it's sleeping But as the night came round I heard It slowly sound It wasn't roaring, it was weeping It wasn't roaring, it was weeping.

And then one day the neighbours came
They were curious to know about the smoke and flame
They stood around outside the wall
But of course there was nothing to be heard at all
"My friends," he said, "We've reached our goal
The threat is under firm control
As long as peace and order reign
I'll be damned if I can see a reason to explain
Why the fear and the fire and the guns remain."

It doesn't matter now it's over anyhow He tells the world that it's sleeping But as the night came round I heard It slowly sound It wasn't roaring, it was weeping It wasn't roaring, it was weeping.

Say ah, say ah, say ah Say ah, say ah, say ah

(Ladysmith's solo)

It doesn't matter now it's over anyhow It doesn't matter now it's over anyhow

It doesn't matter now it's over anyhow He tells the world that it's sleeping But as the night came round I heard It slowly sound It wasn't roaring, it was weeping It wasn't roaring, it was weeping.

Say ah, say ah, say ah (to end)
