

# Josh Kelley, Angels

Sometimes I never know just what to do  
Just what to do  
Thinkin' about the choices that I'm put through  
That I'm put through  
So scared for what the future brings for me  
It brings for me  
It's time to pack my bags and get it right  
Let's get it right  
Going out to Angeles  
Keep me restless for the days  
Going out to Angeles  
Bringin' me to find my way  
Going out to Angeles  
Keep me restless for the days  
Going out to Angeles  
Bringin' me to find my way  
I hope I like the way you dance with me  
You dance with me  
For just one second I hope that you can see  
That you can see  
That you can trust my fate and keep me straight  
You can keep me straight  
For I've already packed my bags  
I have already packed my bags  
Going out to Angeles  
Keep me restless for the days  
Going out to Angeles  
Bringin' me to find my way  
Going out to Angeles  
Keep me restless for the days  
Going out to Angeles  
Bringin' me to find my way  
I'm not asking you for a diamond or pearls  
Just for the chance to find my place in this world  
Going out to Angeles  
Keep me restless for the days  
Going out to Angeles  
Bringin' me to find my way  
Going out to Angeles  
Keep me restless for the days  
Going out to Angeles  
Bringin' me to find my way
