Josh Kelley, Hard Times Happen

The day you walked into my life Was like a hurricane inside I couldn't walk, I couldn't talk It happened to me

I took you deep inside my world I made you want to be my girl You couldn't walk, you couldn't talk You know it happened to you

Well let me tell you now
Hard times happen
Can you hear fate saying
Told you so, look at you now
Do you really wanna wanna give in, give in, Lord?

This time around
There's no way I can let you down
Cause I'm here and I plan to stay
I've seen the other side
Your light shines brighter than the best
I want you for the rest of my days

Thought I was better off alone Keep it simple, I've been told Cut the line, you'll have more time for fooling around

But I was blind to let you go I came back to let you know I couldn't walk, I couldn't talk, without my baby by my side

Hard times happen Can you hear fate saying Told you so, look at you now Do you really wanna wanna give in, give in, Lord?

This time around
There's no way I can let you down
Cause I'm here and I plan to stay
I've seen the other side
Your light shines brighter than the best
I want you for the rest of my days

I am no saint
I know you think I could never change
Another hopeless case in Hollywood
But you've saved me from myself
You've conquered me
And I will have nothing less than all of you

Help me momma, it's cold outside

Oh this time around
There's no way I can let you down
Cause I'm here and I plan to stay
Oh I've seen, I've seen the other side
Your light shines brighter than the best
I want you for the rest of my days

I want you for the rest of my days, baby I want you for the rest of my days, baby I said I'm sorry I'm sorry, sorry, sorry There's no way I can let you down Your light shines brighter than the best

There's no way I can let you down Your light shines brighter than the best I'm sorry, I'm sorry, I'm sorry baby
