

# Josh Kelley, I Don't Mind Singing

Some words aren't meant to be spoken  
But you gotta say something  
Some things aren't meant to be broken  
But you gotta break something

Sometimes you don't wanna try  
But you gotta try something  
Sometimes you don't wanna feel  
Don't wanna feel nothing

Sometimes you misunderstand me  
Why don't you just listen  
Let me out of your shadow  
Let me out of your prison  
I wish I could make up my mind  
So many decisions  
I know that I will be fine I will be forgiven

I don't mind singing  
You gotta try something

I'll be waiting for the rest of my life  
Don't need anyone to save me

I don't mind singing  
You gotta try something

Don't wanna feel nothing

Why don't you just listen

Let me out of your prison

Wish I had the words, the words to say  
I wish you had the patience anyway, to let it go  
I wish I had the words, the words to say  
I wish I had the patience anyway, just let it go  
To let it go
