

# Josh Rouse, Christmas With Jesus

My conscience has it stripped down to a science, why does everything displease me still I'm trying  
And it's so very hard to ask for a part in your Christmas I find getting in is easy when your friends with  
He's coming inside me without reason as I sit here waiting for his signal  
And I ask of the lord to spare me his sword of forgiveness cause it's so very hard to ask for a part in
