

# Josh Rouse, Ears To The Ground

Ears to the ground  
ears to the ground just waiting for the sound of footsteps..  
Wheels to the road  
wheels to the road hoping this will be my last stop  
Abuse my heart for it's all I've left, leading me on this is what I get  
I've give all everything is spent hang up a sign reading room for rent  
Just waiting for the sound of footsteps  
Wheels to the road  
wheels to the road hoping this will be my last stop  
Ears to the ground  
ears to the ground just waiting for the sound
