

# Josh Rouse, Invisible

Better days are  
Here again I  
Heard a voice say  
I think he was a friend to me  
The cussing and staring at  
The walls

He's so invisible  
This I know  
It's all I know

Set a date I'll  
Meet you there and  
Muster up a  
Photograph of all  
Times you've been having out  
Out west  
People are special there  
I guess yeah

You're so invisible  
This I know  
It's all I know  
It's all I know  
It's all I know  
It's all I know

Better days are  
Here again I  
Heard a voice say  
I think he was a friend
